

# Bilateral Agreement/Multilateral Convention on Enabling Jet Fuel Taxation

Marc Gren

# Tax on Jet Fuel

- Chicago Convention
- ICAO Council Resolutions (ICAO's policies on taxation in the field of international air transport)
- EU Energy Tax Directive (2003/96/EG)
- Bilateral agreements or a multilateral convention

# Way Forward

- It has been done (Norway) and it is possible (Hague Conference)
- Policy developments, EU, ICAO
- Sweden wants partners
- Minimalistic Approach

	Bilateral Agreement	Convention
EU level	<p>+ Faster Sets example</p> <p>- Another agreement to join</p>	<p>+ Flexible</p> <p>- More parties need to agree Harder to amend</p> <p>Other Role of Commission? Enhanced cooperation?</p>
Global level	ASA:s? ICAO policies?	ICAO? Political problems? Corsia?
